Dear Guest :

Because he is rather proud of it, our Executive Chef is anxious that we let you know about our Bountiful SMORGASBORD Buffet, which he creates in the Şadırvan Supper Club every Sunday evening. The whole thing is really quite spectacular, so won't you plan to join us ?

Do call the Maitre d'Hotel Office for reservations, because usually there is quite a crowd.

Afiyet Olsun !

(which means Bon Apétit!)

P. S. We almost forgot to tell you that there is also music for dancing, as well as the exciting Şadırvan floor show.

(Our Belly Dancer « YAKUTE » is absolutely enchanting!)

TOURS OF ISTANBUL

1. The starting-point as well as the terminal for all tours mentioned in this booklet, is Taksim Meydanı (Taksim Square). You can, however, according to the location of your hotel, start and terminate the tours wherever you are staying.
2. The tours can be undertaken by bus, dolmuş or taxi. A dolmuş is a taxi shared by 5 persons. A dolmuş for Taksim is available at all important points of the city, like Eminönü, Beyazıt etc.
3. The restaurants recommended in this brochure are of the deluxe class, the cheaper ones being easily found in the vicinity.
4. The visit to the mosques is free of charge. However shoes have to be taken off. In front of some of the mosques over-shoes are available, which can be put on, so that there will be no need to take foot-wear off. A tip for the man in charge of the slippers is customary.
5. Photography is allowed inside the museums, however a fee has to be paid.
